EASY collection by studio Wierszyłłowski and Designers is a revolution in brand Noti - designed for young people, perfect for furnishing a first flat. The concept is based on the values of modularity, mobility, individualism, change. EASY collection consists of a sofa, which can be extended into a bed by adding puffs, as well as shelves, cupboards, drawers and tables, giving a possibility of functional arrangement of even small living spaces. The dedicated collection of upholstery fabrics allow to mix and match them freely. Easy sofa has different functions - it can be an ordinary sofa, but pulling chests from underneath and putting puffs on them can turn it into a comfortable ottoman and even a full-size bed (160 cm wide) for occasional sleeping.
