

Noti.Vivido

Vivido is a collection of exceptional, uniquely shaped, and hand-made decorations, brought to life thanks to Noti's cooperation with Supergirls Do Design.

Made of 100% wood, the family of five totems maintain a perfect balance of shapes, textures, and colours. The totems imbue the interior with a sense of dynamism, whilst remaining faithful to the spirit of the Noti brand.

The Vivido totems stand out for their combination of hand-made, natural and high-quality materials, each of which has a distinct character of its own. The intriguing ALPI veneers alongside the natural wood structure make each totem truly unique.

Playing with round shapes and fluent combinations of forms and colours, the designers created a visual dialogue with Noti products and interiors, filling them with vitality, energy and a touch of playfulness.
